This is the reason why I am to speak to you about the conference

Good Morning

I spoke to Odeefour Yesterday and we also discussed the importance of informing Nsumankwahene, the assistant and Otumfour as well

we considered it important for your involvement as you are the President of the Asanteman Akomfo Association

what we want to do is that after I speak with you, I will advise you on how to INFORM all the other AKOMFO in the association

WE want to create a uNITED front to enable akomfo have a voice everywhere

the conference is not REPLACING the association BUT to SUPPORT its work

I will call in the afternoon

May 5th, 12:03pm

Thanks Nana for receiving my call

Greetings Nana

Has Boateng call you?

May 7th, 11:51pm  
Hi Nana, Thanks for receiving my call

I have created a website on the conference....

<http://ghanatraditionaldoctorsconference.snack.ws/>

<http://ghanatraditionaldoctorsconference.snack.ws/>

[1ST GHANA TRADITIONAL DOCTORS CONFERENCE 2014](http://ghanatraditionaldoctorsconference.snack.ws/)

ghanatraditionaldoctorsconference.snack.ws

Even though the site is under development, I have included some of the important questions people might be asking.....I am calling the Nananom Traditional Doctors, but if you prefer TRADITIONAL PRIESTS.....I can change it to that.....the website is not PUBLIC yet

and everything is under development

Yes the traditional priest is better than traditional Doctor because those who are opening herbal clinic called them self Traditional Doctors

Thanks Agya

I am changing it now

<http://ghanatraditionaldoctorsconference.snack.ws/>

[1ST GHANA TRADITIONAL DOCTORS CONFERENCE 2014](http://ghanatraditionaldoctorsconference.snack.ws/)

ghanatraditionaldoctorsconference.snack.ws

<http://ghanatraditionalpriestsconference.snack.ws/>

[1ST GHANA TRADITIONAL PRIESTS CONFERENCE 2014](http://ghanatraditionalpriestsconference.snack.ws/)

ghanatraditionalpriestsconference.snack.ws

Nana I have changed it

That is right

Thanks Nana

I am going to make some good changes so that anybody who studies it will understand why we want to do the conference

I want to know the date of conference

Can you please send me the phone numbers of all the Kumasi Akomfo elders you mentioned the names in the mail

Ok....let me check the Calendar

Let me talk to Nana Abass first

No problem

No as for the phone numbers I will only need it after your meeting on Monday, not now

the last Thursdays and Fridays in July are 24 and 25th

and 30th July and 1st August

I will try to see Nana Abass tomorrow

I am also thinking that since many Akomfo do not work officially work on Mondays and Tuesdays, we can rather fix the conference on such dates so that it does not "eat" into anybody's CONSULTATION time

Time is Money , Nana you know

I spoke to another Ghanaian on our organization here and he suggested we shd have a time that is good for everybody

and since you normally do your meetings on MONDAYS, he suggested MONDAY AND TUESDAY

which will mean the dates can be

28th and 29th July

with this new date, it will be like a regular meeting day but just an extension of what we will have to do on the day

PLS HAVE YOU BEEN ABLE TO OPEN THE WEBSITE?

Yes monday and tuesday will be better

Ok Nana

Medase

ok, let's see what the contents of the website say

the conference will be STRICTLY by INVITATION ONLY

since we will be DISCUSSING ISSUES CRITICAL TO AKOM

HERE IS THE INTRODUCTION

Yes nanakudi web.com

The conference will draw on the need for a united front for Akomfo in Ghana to enable them have a voice in national affairs.

YES, GHANA CHRISTIANS HAVE CHRISTIAN COUNCIL

AKOMFO IN GHANA HAVE NOTHING APART FROM THE UNIONS OF the Ghana Traditional Healers and Psychic Association

which its members are includes EVERYBODY

we WANT TO USE this CONFERENCE to start efforts at strictly an AKOMFO union for Ghana

We are in contacts with some akomfo from other regions, so might invite them as guests to the first meeting

This conference is critical for everybody who is an Okomfo because, it will open so many opportunities for them all

I have a VISION and if we are able to do it, Nana, you will soon see what I am talking about

In Ghana, you will notice that anytime there is a problem with something SPIRITUAL, they call on some few Akomfo, some of whom speak as if they are the spokespersons for all AKOMFO.....no....nobody has that title yet....so we have to guard against unauthorized speeches on behalf of all Akomfo.

so with a National Front and Notice to all radio and media houses, they will KNOW who to call when there is a problem with akom

To day is thursday i am morning i am ready to go the shrine to pour libation

medase Agya

tell Nananom about our plans and let them bless it

Byee

Bye too

May 8th, 5:51am

Nana, I have sent you an email to your account: nanakwamesubum@yahoo.com

You can print that to show Nana Abass and other executives when you meet them. The email message is the same information I have on the website.

It answers a number of questions, they might possibly ask

by PRINTING it, it might help for them to understand what we are trying to do

May 8th, 11:25pm

hello Nana

May 9th, 8:39pm

Friday 10:27pm  
hello Nana

How are you?

I hope you are good

I have not gotten to Abass yet but spoke to Gadawu Komfo

the other day

I also sent an email to MANHYIA PALACE MUSEUM asking for information on how we can get to Nana

the director of the museum sent his number so I called him

I explained why the conference is necessary and he supported our plans

in my email to him, I sent you a copy

I have mentioned that I have already contacted the leaders of Asanteman Akomfo Kuo led by you and Nana Abass

we will talk more later as he seems INTERESTED for such a program

Nana we are making progress and I know the Nananom will bless our dream

I will call you later tomorrow

Sunday 12:46pm  
Now i have seen that you are Begyedom. we thank God for you

Wednesday 11:22am  
Nana medase.....You have made me smile.

We WILL DO IT TOGETHER and MAKE THE DREAM COME TO PASS

Good day Nana

How are you?

I spoke to Nana Abass and Otumfou's Museum director .....

I will tell you more when I call later today

I am on my way to school, will call after the class

2 hours ago

Good Morning Nana

I just came home from work

How are you?

Update:

I spoke to the Manhyia Museum director again yesterday

He is very interested in the program as he has expressed his support for such a program

He said he will visit the website I created for the conference and get back to me

he said, Otumfour has travelled abroad again but will be back b4 we do the conference

he said when Nana is travelled, then Nsumankwahene become FREE small so he will take the opportunity to talk to the Nsumankwahene about the conference soon

I also spoke to Nana Abass and told him that YOU suggested and agreed that the last Monday and Tuesday in July is very good for the conference.

He said, we will have to close early so that the NANANOM who travel from Far places can get car to return to their respective towns.

he had mentioned that ONE DAY is good .....but I am of the opinion that if we DO it ONE DAY ONLY, then we will not get THE OPPORTUNITY to visit OTUMFOUR as a delegate for him to speak direct to

the AKOMFO

This is what I am discussing with the Manhyia Museum director about the AKOMFO and our organizations GIVING OTUMFOUR a special award

by going on Tuesday to give him the award, Nana will know that we CARE about him and he will pay attention to our RESOLUTIONS ( WHAT WE WILL DISCUSS AT THE CONFERENCE)

what DO YOU THINK?

about an hour ago

One day can not help .We will meet on monday to discuss it

Thanks Nana

I am happy that you agree to my suggestion...

we have to do it nice

we can do the first day at NANA ABASS place and 2nd day probably at Cultural Centre, Teachers Centre or even at Manhyia since the Museum people are becoming part of the planning committee

we have to do it well.....

I was even planning that the 2nd day will be the day that we will OPEN the conference to OUTSIDERS and all the INVITED GUESTS.....foreign ambassdors, Kumasi Metropolitan Chief Executive, Culture Centre officials, Tourist Board , Minister for Health, Minister for Culture, Universities

by which time we have already discussed what we wanna say to them on the FIRST DAY

since I will be coming 2 weeks b4, I will love to meet with all the BIG people ( leaders of the Akomfo association) to discuss everything

WE want to appeal to the foreign embassies to give financial support

there are 2 reasons for this request:

1. either they will give or not give

whether they give or not, they will HAVE A NOTICE about our CONFERENCE

which will mean KNOWLEDGE about OUR ACTIVITIES

with such a knowledge, it will open many opportunities for any Okomfo from Asanteman should the opportunity come to apply for visa from some of these embassies because they will get to know such an association exist and a letter of support for any okomfo will be RESPECTED

the other thing is that by INTERNATIONAL CONVENTIONS and laws in International relations, foreign embassies and consulate offices are required to support a nation's development programmes, AND OUR CONFERENCE is one of them

so whether they like it or not, they have to REPLY

if they dont, it will become part of our records that even the EMBASSIES are AGAINST akom.....hahahahahaah.....Nana, there are lot we can do if we PLAN properly.....and there is future for us

wouldn't it be great if we have a purely CULTURAL RADIO dedicated to akom and only non- christian stuff

AKOM is not against CHRISTIANITY but we WANT the christians to respect us and STOP insulting US

AKOMFO need a Ghanaian lawyer who can fight akomfo cases for them

why I say this:?

Just about 1 hour ago, an Okomfo at Assin Foso area wrote to me to discuss on what to do about his being sent to the Police station by a family who think his bosom has wrongly accused a family member of being a witch

Agya, if one is not Bayiefo), would the bosom catch her?

but we have to have a look at the Ghana's law and how it PROTECTS akomfo in their practice as complimentary healers and counselors

so this case has brought out some IMPORTANT things we have to discuss also

1. AKOM AND THE GHANA LAWS....what protection does Okomfo have

2. AKOM AND INTERNATIONAL INVESTMENT OPPORTUNITIES.....how does an okomfo who helps in Sakawa AFFECTS international INVESTMENTS to Ghana?

Sunday 12:46pm

Now i have seen that you are Begyedom. we thank God for you

Wednesday 11:22am

Nana medase.....You have made me smile.

We WILL DO IT TOGETHER and MAKE THE DREAM COME TO PASS

hello big bro

Hi Bossu

How are you?

blessed and you

Thank God

How is work?

Things are cool

not bad

by His grace

About your progeram

Thanks boss

We are planning a special cultural conference in Kumasi

ok

Nice

In association with Manhyia Palace Museum and the Traditional Priests Association

Wow nice,

We need help with funding source ideas...and speakers who are informed with the importance of culture and development

Do u have the date yet

Thanks

almost Yes....to the date.....

The last Monday and Tuesday in July

Preliminary session, a week before that....

do u have contacts at the National Commission On Culture, National House of Chiefs and any foreign consulate in GH?

No. The one i knew is on retirement.

OK

so do u have any idea on how to approach org for sponsorship support

The best thing is to get a letter from Manhyia Palace Museum and the Traditional Priests Association

Together with your proposal

ok

Gihoc, Kasapreko or baron Distilleries will be interested to sponsor

Accra brewey

Thanks bossu

sorry

I was talking to the Director of the Organization in GH

ok

about my conversations with u and your important suggestions

He is grateful

Would u like to play any role in it please?

the organisation is

International Center for African Culture & Arts

Supporting orgs

sure am always ready and would love to be part

: just a minute

ok boss

Thanks bossu

We have created a Planning process website

oik nice

sorry

I have so many interruptions today

k

the website is not public yet since we are using it as the planning platform

supporting NGOs are

ok boss

Centre for Human Development and Social Change, Ghana aka CHDSCGhana

OBAATANPA House of Hope Int.

Percussive Arts Society, Ghana Chapter of which I am the President

and of course if you come on board, your organization's name will be included

ok boss

before i show you the link to the website, I want to know what you can do to help make this historic event successful

our goal is to mobilize the TRADITIONAL PRIESTS in Ghana

to unite as a strong group

Am about to launch an entertainment program in two weeks time on radio. So some publicity.

educate them about the important roles in the nation in the areas of

DEVELOPMENT

CULTURAL DIVERSITY

You can submit a proposal letter to my directors and am sure they would love be media partners  
that is a good idea

I will speak to the most important planning members for them to be aware of the progress so far  
here is the link .....

ok boss

<http://ghanatraditionalpriestsconference.snack.ws/>

[THE KUMASE CONVERSATION-1ST GHANA TRADITIONAL PRIESTS CONFERENCE 2014](http://ghanatraditionalpriestsconference.snack.ws/)  
ghanatraditionalpriestsconference.snack.ws

the site is not public yet.....

it gives one an idea of what we are trying to do , the Vision and Aspirations

This project is to be an annual affair

and one of the goals is also to have another sort of INTERNATIONAL CONFERENCE AND festival  
LIKE panafest BUILT from this

Already International interests in this is building up as we are promoting and sharing the idea to people  
wow

we want to start the AFRICA conversation from Ghana and soon, we will target SOUTH AFRICA  
when the practice is also strong, then go to NIGERIA, BENIN and other places...

brother, we are undertaking a journey and you should be part of this

Sure count me in. these are the programs i love to be part of

i am gonna do an update and post your photo there

ok boss

it is under development and many people are on board.....we want to start a real CONVERSATION

Pastors should stop insulting akomfo IN THE NAME of democracy

the new generation needs to be educated on our culture via Akom

it's not evil

Yea, too bad

it's a choice and they help the nation

almost every town was founded with the help of an Okomfo

Ghanaians need to respect what is ours

Fake Akomfo too needs to be educated and warned

SAKAWA assistance means LOST INVESTMENT opportunity to Ghana

how do we address these

look at the PLANNING PROCESS and the AGENDA boss

we are serious but I see that in Ghana, you are ONE of the pillars of culture

so your involvement is a MUST

Dr Asmfofro a serial caller once told me he dosen't why in every movie pastors defeat Akomfo

yes, we need to have that conversations too

Sure

I am doing the website update

ok boss

Is there a way you can help if I get all the documents together to work with CHDSCGhana's director who is in Accra to get the request for sponsorship letters to the needed companies?

do you have their addresses?

ok

Sure I can help

CHECK THE PLANNING COMMITTEE UPDATE ON THE SITE

ok

ok, seems a good move

good vision

we are having a series of meetings here ( USA) and the locals too are doing their best

We are currently lobbying Asantehene to endorse it so that we can do annually

ok good to hear. the direction is right it seems to me

The Asanteman Akomfo have about 150 members and that is a potential market for u and our partners

ok,

when they are educated on how to manage their finances , it will help them immensely and help improve their quality of life

the main conference dates are last Monday and Tuesday in July

yes, that fortunaely is my area

28th and 29th

that is why I am contacting U

ok, ls let me have full details

cos u can educate them on how to manage their finances well.....and since most of them dont have literacy skills, speakers are encouraged to speak Twi or Fantse with lectures written in English for archiving purposes too

Having U on board will be great

I will send you the info as soon as possible

My organization is working with some organisations here and our affiliates in GH

the christians have CHRISTIAN COUNCIL

the akomfo also needs to have their counterpart

we have chosen Kumasi to start it cos of its Central location and the strong akomfo union they have there

it's gonna be an annual affair

and when we become grounded, we will rotate the VENUES

But bro akomfour don't like coming together so I well be very happy if you can do these

Man, look at my name

I well be grad bro

look at the National Commission of Culture, the govt doesn't even care

subversions are only for the so-called BIG and relevant ministries

what do they mean? when everything in Ghana dwells on the culture

Sarpong.lord@yahoo.com

all developed stick to their culture

only in Ghana

There was a temporary error, please try again. Click to send again.
